Health and Well-being Week

We have a Health and Well-being week coming up which is currently in planning stages. We are hoping to do a 'Cycle Wales' challenge across various classes during this week. With this in mind, if anyone has access to an exercise bike that they would be willing to lend to school for a week, please could you contact the office on 01978 820991.

Castell Chirk

As the children will be having their photos taken on Friday 14th May, children in Mrs Jackson's class will not have their P.E. lesson as usual on this day. Please send your child into school in full uniform. P.E. will return as normal the following Friday.

Bike rack

We have been very fortunate to secure a grant for a bike rack. For those who will be riding a bike or scooter to school please dismount as you enter the school yard and walk the bike/scooter safely around to the bike rack which is situated next to the rainbow shelter in Nursery.

Wearing Face Masks on School Premises

It is still very important that all who can, wear a face mask when on the school premises. Maintaining clear social distance at the school gates will also reduce risk and set a good example to pupils.

Criw Cymraeg

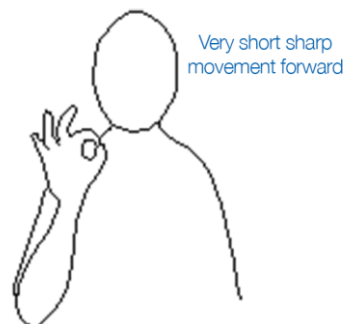

Criw Cymraeg have been teaching children across school about the senedd election this week. We looked at the main party leaders and some of their policies. We're all very excited to find out who will be leading Wales into the next five years.

Our new phrase of the week, linked to our assembly on Monday is "Byddwch yn garedig", which means "Be kind".
