Monday 11th February 2020

Annwyl Parents/Carers,

Eisteddfod: Fflint, Y Waun, Harlech a Conwy

This year, our annual Welsh Week will be held from Monday 24th to Friday 28th February. During this week the children across the school will have opportunities to undertake a range of Welsh themed activities and learn about Welsh heritage and traditions. In addition, we will be holding our school Eisteddfod on Thursday 27th February. Children are encouraged to come into school dressed in Welsh themed clothing on this day, e.g. traditional Welsh dress, Welsh rugby or football kit, colours from the flag, Welsh costume or hat etc.

During the Eisteddfod, children will be entering a variety of competitions. These include: singing, recitation, handwriting, creative writing, art and craft. While many of these competition entries will be prepared in school, some are optional and children are expected to prepare their entries at home.

The competitions to be entered from home are as follows:

Dosbarth Fflint (Miss Thomas - Nursery)

Craft - A sheep

Dosbarth Y Waun (Miss Griffiths - Reception/Year1)

Craft - Daffodil theme

Dosbarth Harlech (Mrs Jackson - Year 1/2)

Craft - Castles of Wales

Dosbarth Conwy (Mrs Steele - Year 2/3)

Creative Writing - A Poster about Wales

Craft - Wales in a shoebox

All entries will need to be handed in at school by no later than Tuesday 25th February as they will need to be judged ahead of the Eisteddfod on the Thursday. We would like to see as many children entering as possible. All entries will be rewarded with house points which will be added to the final scores on the day of the Eisteddfod.

In addition to these competitions, we also ask that children wishing to enter the recitation and singing competitions practise their song and poem at home. All music and lyrics will be added to the school website so that children can practise their performances over half term.

Diolch i chi am eich gefnogaeth barhaus.

Thank you for your continued support.

Cofion cynnes,

Mrs Jones
Welsh Coordinator
