

Suggested Timetable for Home Learning

	Monday 18 th January	Tuesday 19 th January	Wednesday 20 th January	Thursday 21 st January	Friday 22 nd January
8:00	Wake up! Wake up! Give yourself a shake up! Get your body moving... Have a good breakfast and get washed, dressed and ready to take on the world 😊				
8:45	Listen to the song of the day to get you motivated: Life is a Highway	Listen to the song of the day to get you motivated: Jamelia - Superstar	Listen to the song of the day to get you motivated: Electric Dreams	Listen to the song of the day to get you motivated: LMC – Clouds Above	Listen to the song of the day to get you motivated: You make my dreams come true
9:00	<p style="text-align: center;">Maths +-x÷</p> <p>Fractions</p> <p>1. Watch this video of Mrs Jones explaining some of the fraction basics.</p> <p>2. Log into Seesaw and complete the task to show me which pictures represent fractions (equal pieces) and which do not.</p> <p>If you're already loving fractions, an extension activity can be found here.</p>	<p style="text-align: center;">Maths +-x÷</p> <p>Fractions</p> <p>Have a look at this explanation video about how to identify fractions of shapes.</p> <p>Log into Seesaw to find your daily maths activity.</p> <p>Log into MyMaths to find an extension activity if you still have some time left</p>	<p style="text-align: center;">Maths +-x÷</p> <p>Fractions</p> <p>1. Log into MyMaths and have a go at one of the activities on fractions</p> <p>2. Log into Seesaw to find today's Fraction challenge of the day</p> <p>Optional extension:</p> <p>Pizza fractions See this video for instructions</p> <p>You could even try this with a real pizza</p>	<p style="text-align: center;">Maths +-x÷</p> <p>Equivalent fractions</p> <p>Look at the video (link shared on seesaw this morning)</p> <p>You will find the self help tools you might need in the Thursday Folder on OneDrive</p> <p>Log into MyMaths and complete the equivalent fractions activity.</p> <p>If you're not ready for that, try one of the other fractions of shapes activities I have set.</p> <p>Extension: Find the equivalent fractions word problems here</p>	<p style="text-align: center;">Maths +-x÷</p> <p>Fractions</p> <p>Fractions of amounts Starting simple today, we're going to look at finding fractions of amounts. This means equal parts of a number e.g. $\frac{1}{4}$ of 12</p> <p>Watch the video (link shared on Seesaw this morning) and then have a look in the Friday folder on OneDrive for your activity. Choose either 1 star 2 star or 3 star.</p> <p>If all of those look a little tricky, try the introduction activity on MyMaths</p>
9:45	15 minutes on TT Rockstars				
10:00	Read a book for 15 minutes - jot it into your reading record				

Any additional work, support documents and specific resources for this week can be found here: [OneDrive Folder](#)

Suggested Timetable for Home Learning

	Monday 18 th January	Tuesday 19 th January	Wednesday 20 th January	Thursday 21 st January	Friday 22 nd January
10:15	BREAK TIME - Have a quick rest and a healthy snack				
10:45	<p style="text-align: center;">Literacy</p> <p>We are starting a new topic and a new book this week.</p> <p>Our first job is to have a look at the book cover (in OneDrive) and decide what we think this book will be about.</p> <p>Full instructions for this activity can be found in the Monday folder on OneDrive.</p> <p>You can choose to complete this activity on paper or you could use the activity template on Seesaw - it is up to you.</p>	<p style="text-align: center;">Literacy Holes</p> <p style="text-align: center;">By Louis Sachar</p> <p style="text-align: center;">Click on OneDrive Tuesday Folder</p> <p>Listen to or read the first chapter of our new book (it's only short)</p> <p>Task: Draw a detailed sketch of the scene described in chapter 1. Or if you prefer you could make it on Minecraft and upload screenshots.</p> <p>I will be looking for lots of detail and everything mentioned in the chapter so feel free to go back and read through it/listen again as many times as you like.</p>	<p style="text-align: center;">Literacy</p> <p>Think back to Chapter 1 - do you think Camp Green Lake sounds like a nice place to live?</p> <p>Can you rewrite the chapter for me to make Camp Green Lake sound appealing - try to keep all of the features the same but have a go at making it sound like the type of place someone would want to go.</p> <p>I have uploaded some examples to OneDrive of what children came up with last year to give you some ideas.</p> <p>Read/listen to Chapter 2 - it's mega short - in Wednesday on OneDrive</p>	<p style="text-align: center;">Literacy</p> <p>Read/Listen to chapter 3 in Thursday on OneDrive</p> <p>Look on Onedrive/Seesaw for today's activity all about our protagonist (main character) Stanley.</p> <p>You need to think about what he have learned about Stanley so far in this chapter and write everything you know about his thoughts and feelings inside the outline of his body and everything about his life, how he looks and where he lives etc, around the outside of his body. Only include the things we know from the chapter.</p>	<p style="text-align: center;">Literacy</p> <p>Read/Listen to Chapter 4 Friday folder on OneDrive</p> <p>In this chapter we meet our first antagonist (the person who is against our main character) Mr Sir.</p> <p>Tell me what you think about Mr Sir as a character? And why?</p> <p>Use information from the text to justify your answer.</p> <p>To finish off the week, have a go at this Kahoot quiz, all about Chapters 1 - 4... We will finish each week with a quiz so make sure you keep reading/listening to the chapters each week.</p>
11:45	Handwriting Practice - choose a poem from the handwriting folder on OneDrive, try to join your letters as accurately as possible				

Any additional work, support documents and specific resources for this week can be found here: [OneDrive Folder](#)

Suggested Timetable for Home Learning

	Monday 18 th January	Tuesday 19 th January	Wednesday 20 th January	Thursday 21 st January	Friday 22 nd January
12:00	LUNCH TIME Enjoy a nice long rest, get some lunch and have a play for a while				
13:00	<p>Health and Wellbeing</p> <p>Have a go at this dance tutorial</p> <p>Practise it a few times and see if you can record yourself doing it to the music. If you feel confident, upload your dance video to Seesaw.</p>	<p>Humanities</p> <p>This week we are going to look again at maps.</p> <p>A map of Ruabon and a map of Green Lake in Texas.</p> <p>I want you to study the two maps and see if you can find any similarities (things that are the same) and any differences (things that are different).</p> <p>Write down what you notice in a Venn Diagram. I have included one in onedrive that you could print or copy and I have also added this task as an activity on Seesaw for you too with video instructions How to complete a Venn diagram</p>	<p>Cymraeg</p> <p>Have a look on OneDrive for this week's activity.</p> <p>It is a follow up activity to last week.</p>	<p>Art and Craft</p> <p>Have a look at this video on how to draw a simple cartoon lizard Video</p> <p>Draw a lizard for yourself and fill it with whatever patterns and colours you like.</p> <p>I have included a piccollage of patterned lizards on OneDrive to give you some ideas.</p>	<p>Science</p> <p>Adaptation - video starter</p> <p>Have a look at some of the animals that live in deserts and wasteland on OneDrive</p> <p>I want you to think about how these animals are adapted to living in that area - after all there is much less food and water, it is very hot with little shade. How do they survive?</p> <p>Choose your favourite of the animals and do some extra research. Make a poster all about the animal of your choice and how it survives in the desert.</p>
2:30	<p style="text-align: center;">Helpwr Heddiw</p> <p style="text-align: center;">Have a go at one of the Helpwr Heddiw Activities on the Powerpoint on OneDrive</p> <p style="text-align: center;">There are absolutely loads to choose from</p>
