<p>Maths $+-\times\div$</p> <p>Problem solving week - the idea is not to find correct answers this week but to explore possibilities.</p>				
<p>Perimeter fence investigation - Have a go at the investigation pack on OneDrive today. Read it through and have a go.</p> <p>There are lots of difference answers for each of the tasks but choose the 1, 2 or 3 star work based on how confident you feel.</p>	<p>Box of chocolates maths investigation</p> <p>Have a look at the investigation page.</p> <p>Choose one of the activities to try today - or you could even come up with your own challenge.</p> <p>Looking for something a little more challenging? Try this interactive challenge: Factors and Multiples Game for Two (maths.org)</p>	<p>Have a go at the join the dots maths investigation on OneDrive.</p> <p>There is also a game you could try today - seeing squares. You could play it with a grown up or sibling, or you could play the interactive game against the computer:</p> <p>Seeing Squares for Two (maths.org)</p>	<p>Try this: How Many? (maths.org)</p> <p>Or, if you have a grown up who wants to join you, try this: Dicey Operations in Line for Two (maths.org)</p>	<p>Try this practical maths challenge today.</p> <p>Four Triangles Puzzle (maths.org)</p>
