

# LOCKDOWN RECOMMENDATIONS

This task is all about the things that helped you to get through lockdown.

You will need to split a page of A4 into either 6 or 8 depending on how many recommendations you have.

You will then draw each recommendation into a separate box with a small title to explain each. E.g.

TV Show	Video Game
Book	Lockdown food
Outdoor activity	Game

Try to do a draft copy first and then a neat copy for the time capsule.

You could do it on paper or using piccolage on an iPad.
