Creative Arts

Art

1. Pottery design project

Children will experiment with Greek patterns and designs over a course of 6 weeks, ending with a clay vase of their own

2. Mythological Creature Mask design

Children will choose a creature and design a 3D mask using papier mache

Humanities (History, Geography and RE)

History – Ancient Greece

Athens vs Sparta, Greek Gods, Greek way of life

Geography – Greece then and now.

A study of the physical features of Ancient Athens and how that city has changed over thousands of years.

RE - A study of Ancient Greek religion

Dosbarth Penrhyn Summer Term 2021

Our topic this term will be:

IT'S ALL GREEK TO ME

Our class reader:

PERCY JACKSON AND THE LIGHTNING THIEF

Science and Technology

Light – A focus on 'Earth and the Sun' and 'Light and Shadow', linked to Greek philosophers

Animals including Humans – A focus on healthy lifestyle and the circulatory system

Languages, Literacy and Communication

We will be covering 2 genres of writing this term:

Fiction

- Narrative writing – Greek Myths

Non-Fiction

- Nonchronological Report – Mythological creatures/Greek Gods

WELSH

We will be covering language linked to hobbies, specifically sports, this term.

We will look at past and present tense and conversation script writing with friends.

Health and Wellbeing (PE and PSE)

PE: Athletics linked to Olympics, covered by Mrs R Jones

PSE: Taking care of ME! Keeping the body and mind healthy. We will cover food, exercise, mindfulness and children's mental health.
