- \* Using Tales Toolkit to teach character, setting, problem and solution
- \* Creating own comic strips
- \* Writing shopping lists.
- \* Welsh – learning to introduce ourselves and use basic conversational skills.

## Humanities

- \* Making a map of our local area showing all the people within it who help us.
- \* Investigating how our local community and school have changed over the years.
- \* Food tasting – sharing our opinions and respecting the opinions of others.
- \* Recycling and the impact of waste on the environment.

## Expressive Arts

- \* Pop Art – looking at the connections with comic book art.
- \* Superheroes Dance Too! Choreographing and performing our own dances.
- \* Model making using recycled materials.
- \* Creating our own shopkeeper play in Welsh and performing it to an audience.

## Autumn Term 2023

## Everyday Superheroes

## Health & Well-being

- \* Using equipment safely to make a healthy meal.
- \* Superheroes don't get scared... or do they? Looking at our feelings.
- \* My Happy Mind.
- \* Rights and rules and why we have a responsibility to be respectful.
- \* Recognising the roles and relationships we have with people within our community.

## Mathematics & Numeracy

- \* Counting and writing numbers
- \* Adding and subtracting.
- \* Using money in the local shop.
- \* Measuring length.
- \* 2D and 3D shapes
- \* Pictographs.

## Science & Technology

- \* Investigating different materials and creating collage art.
- \* Looking at the best material to make a waterproof cape for a superhero.
- \* Living things and how to care of a pet.
- \* Designing, improving and creating a costume fit for a superhero!
- \* Introduction to computing skills.
