

Languages, Literacy & Communication

- Non-chronological reports – create a fact file about a sea creature
- Persuasive writing – Writing a Letter to a Local MP about Plastic Pollution
- Daily RWI phonics
- Basic conversational Welsh

Expressive Arts

- * Music – Carnival of the animals
- Art - Collage Taking inspiration from Mille Hipolyte, who is a French paper designer and illustrator, children will explore a range of paper cutting and folding techniques to use in a 3d collage.
- Art – Create an underwater shoebox scene.

Mathematics & Numeracy

- Number – Place Value
 - Number – Addition & Subtraction
 - Geometry – 2D Shapes
 - Measure – length, capacity and mass
- Children will continue to develop their problem solving skills through investigations.

Spring Term 2024 Deep Sea Detectives

Health & Well-being

- * P.E. – Dance – move like a fish! Choreograph and perform a dance inspired by ocean life.
- * Water safety
- * Benefits of swimming

Humanities

- * Our world – name and locate seas and oceans
- Beaches – compare Welsh beaches to other around the world.
- Pollution – recognising the affects of human behaviour on the natural world and keeping our seas clean.
- Jonah and the whale – the courage to say sorry
- Chinese new year
- Dydd Santes Dwynwen
- Was there room for whales in the ark?
- The Easter story

Science & Technology

- * Design – Look like a fish! Create large fish stick puppets, props and back drop to perform our fish dance.
- * Science - research aquatic life cycles and habitats, learn how to look after the ocean.
- * Technology – using the internet to research, learning about decomposition (breaking down a problem into smaller parts and predict its outcome) and algorithms (a list of rules or instructions to follow in order to solve a problem.)
